

Request for independent departure of a student from school

I hereby confirm that my son/daughter _____,

born on _____, will, from the date: _____

leave school on the days and times mentioned below independently, without being accompanied by a legal guardian. This document is valid until its written cancellation by the legal guardian.

Upon the child's departure from the school building, the legal guardian assumes all responsibility for him/her. He/She is aware that, in accordance with Act No. 89/2012 Coll., the Civil Code, a minor is only capable of such legal acts that are proportionate to his/her mental and volitional maturity. The legal representative, after assessing all the circumstances, in particular with regard to the minor's personal characteristics, the distance of residence from the school, the difficulty of the journey and the possibility of endangering the child's health during the journey, declares that the action to which he authorizes the minor is by its nature appropriate to his intellectual and moral maturity.
